

Attitudinal Dynamics of Driving (DDC-ADD)

When: January 12th, 2018 8 am to 4 pm
Where: Chesapeake Region Safety Council,
2555 Lord Baltimore Drive, Suite N-R
Baltimore MD 21244
Class Fee: \$75

DDC Attitudinal Dynamics of Driving is recommended most often for drivers with multiple traffic violations and those with poor driving behaviors who need a catalyst for positive change. This highly interactive course engages students in relearning rules of the road and has a significant emphasis on making a commitment to change one's driving behaviors to reduce the risk of future traffic violations and crashes.

Course Overview: This course is specifically designed for traffic violators and court referrals, as a diversion program for drivers with excessive violations, or for drivers with poor driving habits. Participants will be provided with the knowledge, skills and techniques to improve their driving-related choices, and thereby avoid collisions and decrease future violations. Learners are actively involved in evaluating their driving habits and making decisions and choices about their driving behaviors. Drivers develop personal action plans for practicing good driving behaviors. Preview Course Videos at: https://youtu.be/WNP_Mu6awl8
