

Earn National Safety Council's Advanced Safety Certificate ~ Register Today for these Upcoming Courses at the Marriott - Courtyard Ocean City Oceanfront

Oct 8-12 Fundamentals of Industrial Hygiene

Fundamentals of Industrial Hygiene is an essential course to take if you are concerned about the safety, health and general well-being of your co-workers and hazards that could affect them. This is a 4 day (2.6 CEUs) course that develops your understanding of industrial hygiene terminology, principles and practices by examining four key processes in an effective industrial hygiene effort -- anticipation, recognition, evaluation, and control. Discussions on when to use a qualified/certified industrial hygienist are held throughout the course. Coursework focuses on industrial hygiene hazards and controls in general industry.

Sept 17-21 Principles of Occupational Safety and Health (POSH)

POSH is an intensive course covering 19 topics which will give you a firm foundation in the fundamentals of workplace safety and health. This course curriculum with important safety concepts and emphasis on best practices builds a core for implementing and managing a safety program.

- Nationally recognized safety curriculum based on proved best practices
- Develops critical thinking skills to effectively address safety issues
- Learn to identify hazards and implement corrective actions
- CEUs that are accepted by BCSP and AIHA and other professional certification organizations.

May 14-18 Safety Management Techniques

(SMT) is designed to assist safety and health professionals who are responsible for managing employees and/or projects in safety and health efforts. SMT is part of the curriculum toward achieving the Advanced Safety Certificate. Attend this course if you are coordinating, supervising, or managing safety and health efforts at your facility/company. Designed for the safety leader, this course meets the needs of safety and health committee leaders, supervisors, and middle/upper managers.

October 22-26 Safety Training Methods

Safety Training Methods focuses on the knowledge and skills required to assess your training needs, as well as plan, organize, create, and deliver performance-based safety and health training programs.

Relax and make yourself at home with warm welcomes and great ocean views. The Courtyard by Marriott Ocean City is conveniently located on 15th Street and the excitement of Ocean City's 3 mile Boardwalk.
