- June 10-12, 2019
Chesapeake College - 1000 College Circle, Wye Mills, MD 21679

National Safety Council's First Aid Institute is an internationally recognized authority on first aid procedures and CPR & AED Instruction. Both programs are recognized by Federal OSHA and Maryland Occupational Safety & Health (MOSH). CPR programs comply with the latest guidelines as outlined by the American Heart Association.

National Safety Council's NEW Emergency Care Training Program

When we updated our programs to cover the latest CPR and Emergency Cardiac Care Guidelines and techniques, we improved every aspect of the program. This includes the Instructor Manuals, Instructor Portal, course DVD, and Student Workbooks! With NEW Materials, NSC Instructors get more nationally recognized completion cards, have minimal paperwork and administrative duties (NSC maintains student renewal records), have preferred product pricing on all materials, and access to our exclusive, secure NSC Instructor website! National Safety Council's First Aid and CPR programs meet OSHA requirements for training.

First Aid is the immediate care given to an injured or suddenly ill person until competent medical care, if needed, is obtained. The ability to recognize a serious medical emergency and knowledge of how to get and give help may mean the difference between life and death.

Requirements

- Instructors are required to purchase a student text for each student they teach.
- Instructor credentials must be renewed every 2 years

Course Price: \$395 for Members \$475 for Non-Members
