

# OSHA 7210 Pandemic Flu Preparedness

**Where: June 21, 2019**

**Chesapeake Region Safety Council 2555 Lord Baltimore Drive Suite N-R Baltimore MD 21244**

The focus of this one-day course is to provide you with an opportunity to enhance awareness and preparation for a pandemic. This course will help you gain the knowledge and strategies to help business continuity and employee safety in the midst of a pandemic influenza event. The course will focus on recognizing the reality of the hazards and risks associated with a pandemic, as well as developing the strategies that can help a business, their community, and their family with realistic preparation for a pandemic.

### Key topics include:

- The potential impact of a pandemic influenza event
- The critical elements of a preparedness plan
- Realistic, sound strategies for supporting business continuity

In addition, the course will offer information on strategies that can be used to control the spread of the virus, to help minimize exposure for employees and family and increase the awareness of participants of the many valuable resources available from OSHA and other government agencies.

### Class Price:

FREE

### Includes:

Lunches, refreshments  
and student materials!

### Class Time:

8:00am - 2:30pm  
– maximum 2 per company

### At the end of the training, the participants will be able to:

- Describe the potential impact of a pandemic influenza event on a business or company.
- Determine the elements of a pandemic influenza preparedness plan.
- Identify sound strategies for continuity of operations.
- List recommended measures to reduce the risk of employee exposure to influenza viruses.
- Recognize the key sources for accurate, current information and guidance on pandemic influenza preparedness and strategies.
