

MAOTIEC Certificate Programs

www.oshamidatlantic.org - 877-700-6212

Employers that participate in these certificate programs gain safety specialists who can save them money through fewer lost-time injuries, fewer fines and citations, and cost-effective responses to regulatory requirements.

All courses must be completed within the past five years and presented by Mid Atlantic OTI Education Center or Chesapeake Region Safety Council. A maximum of two courses can be grandfathered from other OTI Education Centers or a National Safety Council Chapter. Final approval at the discretion of the MAOTIEC

Industrial Safety and Health Specialist

Required Courses

OSHA 501 - Trainer Course in Occupational Safety and Health Standards for General Industry

OSHA 3095 - Electrical Standards

OSHA 2045 - Machinery and Machine Guarding Standards
